

American Family Children's Hospital

Dear Badger State Tractor Pullers,

Thank you so very much for your gift of \$2,500.00 to our Greatest Need Fund as a part of our annual Radiothon here at American Family Children's Hospital. I would also like to thank you for bringing shirts for all of the patients and their siblings. The shirts were gone in no time and all we saw were the smiles on the kids faces. Thanks for being such great partners! Lori
