Dan pulled with BSTP in the Farm class for only one or two seasons before he was killed in a fall hunting accident in 1984. Because he enjoyed tractor pulling and especially the people in BSTP, his parents wanted to memorialize Dan by annually awarding a traveling trophy. It was determined that this award should go to a puller in the Super Farm class and should go to the person who exemplifies sportsmanship to his fellow competitors. The trophy was first awarded in 1985.
