

Dear BSTP

We cannot thank you
all enough for your
support during our
time of loss.

The cut flowers were
beautiful and we plan
on purchasing a tree
in memory of John
in the Spring.

We are so lucky to
have you all as our
extended family.

The family
of John
Meier

During a time
like this
we realize how much
our friends and relatives
really mean
to us....
Your expression
of sympathy will always
be remembered
