

Thank
You

Dear Badger State Tractor Pullers,

Thank you so much for buying my auction basket at the 2020 WAF Convention. Your continued support of the fairest program is much appreciated. I met so many wonderful people during my time at convention during the competition and it truly changed my life. I hope you will continue supporting this program, and thanks again for supporting me this year at the auction.

Sincerely, Sibby Knobel - 2019 Jefferson Co.
