

Our family apologizes for
this thank you being so late.

Dad was so proud of the
tractor pulling in the state
and that he was one of the
pioneers of the sport.

Just knowing
that in countless ways
our family and friends
are with us,
makes the way easier.

Thank you.

The family of Jimmy Skaar

Thank you for thinking of our
family and the generous
memorial gift. It will be taken
to the UW Foundation - Carbone
