beyond grateful

I don't even know where to start.
There is no way I can ever thank
you all for EVERYTHING this
organization has done for our family.
All the years we have been together,
all the fun times we have had is
so much of my life. So many memories
I will cherish always! Mike was so
proud to be a member and pull with all
of you — you are our family.
Bless You All!

♥ FROM THE FAMILY OF MIKE MEIER

The hydrangea tree will be planted in a spot where every time I leave and come back home I will see it. It is absolutely beautiful!

also, thank you for all the generous donations you have made during Mike's cancer journey. It made the difference between me having to keep working to be able to stay home to care for him. That meant the world to Trevor and I!
